

Conditions of Use

General Disclaimer and Terms of Use Agreement

If you wish to make use of the website's service (including the data provided herein) (the "Service"), then please read this Agreement. By using this website, you represent, warrant, understand, agree to, and accept all terms and conditions contained in this Agreement. If you object to anything in this Agreement, do not use the website or the Service.

The Terms are subject to change at any time, effective upon posting on the website. After changes or updates, your continued use of the website or the Service after such posting will constitute acceptance by you of such changes.

The descriptions and other information ("Information") provided on this website is intended to offer certain details regarding CNX's natural gas production operations. Please note the following:

1. **Typical Activity:** The Information presented here represents typical natural gas drilling operations and related activity conducted by CNX. It may not encompass all aspects of our operations and may not apply to every specific case, well, site, pad, or situation.
2. **Subject to Change:** The Information on this website is subject to change without notice. CNX reserves the right to modify, update, or remove content at any time, particularly in response to changing circumstances, practices, regulations, or industry standards.
3. **No Professional Advice:** The Information provided on this website should not be construed as medical, legal, financial, or any other professional advice.
4. **No Warranties:** The Information contained herein should not be construed as warranties or representations, express or implied, of the Information on this website.
5. **No Endorsement:** Any mention of specific products, services, or organizations on this website does not constitute an endorsement by CNX.

You agree that all information submitted to CNX (regardless of form or timing of submission) regarding Radical Transparency, the Radical Transparency website and program, or any other information related to CNX, its operations, plans or employees, along with all rights related to or associated with the foregoing (collectively "CNX Information"): (1) will automatically become the property of CNX, without any compensation to you upon submission; (2) CNX may use or redistribute the CNX Information and their contents for any purpose and in any way on an unrestricted basis; (3) there is no obligation for CNX to read or respond to any CNX Information related to Radical Transparency, CNX or the Radical Transparency website; and (4) CNX has no obligation to keep any CNX Information confidential.

The environmental and operational monitoring information/data and disclosures ("Data") displayed in the CNX radical transparency tool is coordinated, recorded, and provided by a third party indicated as the data source and not by CNX. For many or

all the Data, the Data is by its nature considered a field estimate and as initially recorded may contain errors introduced by equipment malfunction or other inaccuracies introduced by the Data provider(s). The raw Data as initially posted is subject to review and quality assurance and control conducted by the third party and may be corrected or otherwise edited or deemed null according to standard quality assurance/control procedures.

License to Use Data

CNX grants to you a non-exclusive, non-transferable, limited and revocable permission to access and display the Data, for your personal, non-commercial, use (use in promotional materials published by a non-profit shall be deemed commercial). Any use of the Data that portrays CNX or its affiliates, or their products or services in a false, misleading, derogatory or otherwise offensive manner is prohibited. You may create derivative works of the Data subject to the terms and conditions set forth herein. You agree to grant and do hereby grant to CNX an irrevocable, perpetual, fully paid up, worldwide sublicensable license to all rights embodied such derivative works, including the rights to use, perform, display, reproduce, and create derivative works with no duty to account to you.

By accessing and using this website, you acknowledge and agree to these terms and conditions.
